

Phone Home

Now you can control your entire home using your mobile phone or the web. Instantly set thermostats, adjust lights, lock doors, close garage doors, arm security and view surveillance cameras from anywhere in the world. Or, simply have your house call you if there's a problem. HouseLogix is the area's leader in revolutionary smarthome lifestyle solutions. Our technology is completely wireless, so we can transform any home into a fully-integrated smarthome without opening the walls.
